Burger & More

Dear guests,

We would like to thank you for being our guests in 2023 and wish you and your families all the best, happiness & health for the New Year!

The new year starts with a major change and challenge:

VAT will be increased from 7% to 19%.

The Corona years are still in our bones as restaurateurs, and staff and specialist shortages are causing problems, so this decision is causing further headaches and also directly affecting you, our guests. Because we have had to adjust our prices. But what we are not doing is cutting back on quality and we are not reducing the portions.

**'Eating out' is an enjoyable experience** – beyond the food – and we want to continue to offer you this, a good time in a relaxed atmosphere and beautiful ambience, accompanied by pleasant and professional service! So we hope that you will remain loyal to us as our guests and that we will master this new challenge together with our staff and partners.

With this in mind, we have changed our name suffix because we believe that 'Mondrian – Burger & **More**' expresses exactly that.

We can make really great burgers, but also meat & fish, salads, bowls, pasta, vegetarian & vegan ...

But **More** also stands for our self-image: We are enthusiastic hosts – innovative & creative, regionally connected and sustainable in our thoughts and actions.

Food is **More**, we are **More** and above all **you, our guests, are More**.

2024 is meant to be More.

Best regards

Horst Thelen & Robert Hertling

## "A guest with good friends"

Our motto is our claim:

Enjoy varied and fresh dishes in a relaxed atmosphere – just like with good friends.  
like with good friends.

And it's even better when you know that we source our meat **locally** from the butcher in Koblenz and that our vegetables and potatoes also come from farmers in Koblenz. For us, quality, taste and sustainability go hand in hand.

You will find seasonality and regionality as parts of sustainability in our menu, but also in our changing daily recommendations. So there's always something new to discover.

And because not only good food is a pleasure, with our wines, Hachenburg beers, seasonally changing cocktails and drinks and alcoholic and non-alcoholic classics, we also have a range of drinks for you to enjoy.

We wish you a good appetite, a good time at Mondrian and look forward to your next visit – with good friends.

Think of your family and friends and give them a **gift voucher**, easily available here in our restaurant or via **mondrian-koblenz.de**

Don't have the time or inclination to come in? – Too bad, but no problem!  
Because we also deliver to your home. Simply order your favorite food from **Koblenz2Go** – without plastic, in sustainable packaging from **koolopapp**.
